HASTINGS HIGHLANDS COUNCIL MAKES DECISION REGARDING THE FUTURE OF CURBSIDE COLLECTION

Hastings Highlands Council convened at a Special Meeting of Council held on January 20, 2016, in Council Chambers for the purpose to discuss Curbside Collection Service to the residents of Hastings Highlands. Over the past 13 months curbside collection service has not been operational. Council debated a variety of options for consideration in delivering the service.

After deliberations Council passed the following resolution;

THAT Council end discussion on Curbside Pickup and move forward with municipal business.

As the resolution stated, members of Council are looking forward to moving ahead with the work that lies before them and all that 2016 offers.
