Municipality has been notified by the Ministry of Municipal Affairs and Housing that the Minister has activated the Disaster Recovery Assistance for Ontarians (DRAO) for residents of Hastings Highlands located within the highlighted area of the attached map. This program is for homeowners, residential tenants, small owner-operated businesses, farmers and not-for-profit agencies that have incurred costs as a result of a natural disaster. Please refer to the information on the program found at www.Ontario.ca/disasterassistance

If you should have any further questions, please contact the municipal office.
