For Immediate Release

Treasurer assumes Deputy CAO Position

Maynooth, ON, June 9th, 2017

At the Hastings Highlands Council meeting of June 8, 2017, bylaw # 2017-057 was passed authorizing the appointment of a Treasurer/Deputy CAO position for the Municipality. Although Mr. David Stewart has been with the Municipality as the Treasurer/Tax Collector since June 2014, he will now assume the new position and added responsibility on July 1, 2017.

"We are excited to have David assume this position and know that he will do well", says Mayor Vivian Bloom. "David has just completed CMO (Certified Municipal Officer) from AMCTO and will be receiving his designation at next week's convention in Huntsville". The CMO designation is the highest designation in the municipal field. Mayor Bloom also added "that it is important that we (Hastings Highlands) have succession planning in the forefront as a large majority of municipal senior managers will retire in the next five to ten years".
