- frame shed front (N) deak Side S. deak

10. Relief

Provide a written explanation of the nature and extent of the relief being requested from the Comprehensive Zoning Bylaw. A land use planning consultant or other qualified professional may be able to assist you:

11. Reason

Provide a written explanation of why the proposed development or use cannot comply with the Comprehensive Zoning Bylaw. How or can the proposal be modified to comply with the regulations? A land use planning consultant or other qualified professional may be able to assist you in providing an explanation:

12. Rationale

Did you conduct a Pre-consultation with the Municipality? Yes No If yes, please include any correspondence with the Municipality.

Tests for a Minor Variance or Permission Application

Please provide a written explanation of why/how the proposed development or use is consistent with the Provincial Policy Statement and either meets the tests of a Minor Variance or Permission Application. To see these tests, check the Minor Variance or Permission Guide. A land use planning consultant or other qualified professional may be able to assist you in providing planning rationale to support your Application. If more space needed to answer, please attach (an) additional page(s):

Minor Variance or Permission Application

13. Property/proposed development

Include the following for each proposed building(s) or structure(s) on the property:

Proposed Building/Structure 1 (bot	tn metric and imperial units):

14. Land Uses and Features

Are any of the following uses or features on the subject lands and/or within 500 metres of the subject lands (Please indicate if it applies with a 'Yes' and an 'N/A' if it does not. Any features indicated with a 'Yes', please identify on your site plan):

nan).	On Subject Lands	Within 500 Metres (unless otherwise specified)
An agricultural operation (any livestock facility, occupied or vacant, including manure storage)	NIA	NIA
A landfill (active or non-operating) (within 1000 metres)	NIA	NJA
An active mine site (within 1000 metres)	NIA	NIA
A rehabilitated or abandoned mine site or mine hazards (within 1000 metres)	NIA	NIA
An active gravel pit or quarry	NIA	NIA
Any industrial use (current or former)	NIA	NIA
Provincial Park or Crown Lands	NIA	NIA.
A floodplain	NIA	NIA
Significant wildlife habitat (such as a deer yard) and/or significant habitat of Species at Risk (including but not limited to endangered and threatened species)	NIA	NIA
Lake, river, stream, creek, pond or other water feature	NIA	Yes
Fish habitat	NIA	NIA
Provincially Significant Wetland	NIA	NIA
Any known cultural heritage, archaeological resources and/or areas of archaeological potential?	NJA	NIA
A slope, including a steep and/or unstable slope with an angle of three-to-one (horizontal:vertical) or 18 degrees	NIA	N/A

15. Other Planning Applications

Has the property been or is the property currently the subject of any of the
following (include file number and status)? Check all that apply:
Official Plan Amendment
Consent (Severance) 386 / 23
Plan of Subdivision
Zoning Bylaw Amendment Application
Minor Variance Application
Site Plan Control Application
16.Site Plan Requirements
The site plan will have to be clear and Minimum requirements for a site plan will show the following: The boundaries and dimensions of the subject land.
The location, size and type of all existing and proposed buildings and structures, including septic systems, in the subject land, indicating the distance of the buildings or structures from the front yard lot line, rear lot lines, and the side yard lot lines.
The approximate location of all natural and artificial features on the subject land and on land that is adjacent to the subject land that, in the opinion of the applicant, may affect the application (including railways, roads, watercourses, drainage ditches, lake, pond, river or stream, banks, wetlands, wooded areas, wells, and septic tanks).
The current uses on land that are adjacent to the subject land.
The location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public travelled road, a private road or a right of way.
The location and nature of easements and right-of-ways affecting the subject land.
If access to the subject land is by water only, the location of the parking and docking facilities to be used.
The distance of the proposed buildings or structure to any water features, including, but not limited to, lakes, rivers, streams, creeks and ponds.
Any land uses and/or features noted above on Page 8 of this Application.
For proposals on waterfront properties, the Municipality recommends including a landscaping plan in the Application to indicate how natural vegetation will be maintained or restored on the property.
