

## Notice

Due to the changes in the ECA (Environmental Compliance Amendment) from the Ministry of Environment and Climate Change, Hastings Highlands's North Baptiste Waste Transfer station located at 353 North Baptiste Lake Road will no longer be able to accept waste created and generated from commercial, industrial and/or institutional use as of June 1, 2018.

Any questions on this matter please contact Operations Manager, Adrian Tomasini at (613) 338-2811.
