Hastings Highlands Extends Closures to All Buildings, Facilities, Parks, Playgrounds and Outdoor Recreation Spaces to May 22, 2020

Maynooth, ON – Following the lead of the Province of Ontario, all Hastings Highlands buildings, facilities, parks, playgrounds and outdoor recreation spaces will remain closed for public entry until at least May 22nd, 2020.

These additional days will provide the Municipality with the necessary lead time to prepare should the Province of Ontario decide to lift any applicable emergency orders on May 12th, 2020.

As this date comes closer, the decision will be re-evaluated based on the Province of Ontario and public health advice.

We need every Hastings Highlands citizen to continue to do their part to slow the spread of COVID-19. Please stay home as much as possible and keep your distance from others if you must go out.

Visit www.hastingshighlands.ca for more information.

- Vic A. Bodnar, Mayor of Hastings Highlands
